Seminar Presenters

Timothy A. Begley

Vice-President/Laboratory Manager—Analytical Balance Corp., Middleboro, MA. (formerly Oliveira Environmental Labs). Responsible for the overall management of the Laboratory. Duties include the scheduling of sample workload, ensuring the effectiveness of the Laboratory QA/QC program and report review.

Leanne M. Monaghan

Client Services Coordinator/Sample Coordinator—Analytical Balance Corp., Middleboro, MA. Duties include client interaction, scheduling and coordination of the laboratory's field sampling personnel, and all aspects of sample administration. Responsible for significant client interaction regarding the selection of appropriate analytical methods for their purposes, explaining analytical results to individual clients and notifying clients of maximum contaminant level exceedances in accordance with MGL Chapter 42.
