Kurt's Chat

Dear Members,

This winter has already made its mark in history. It is one of the highest snow amounts we have had. All I can say is just hang in there, spring is around the corner. The good thing is with all the snow we shouldn't have any water level problems this coming summer.

The last meeting was held at Charlie Horse Restaurant in West Bridgewater, MA. The turnout was great. The presentation by Larry Chretien, Executive Director of Mass Energy, was very informative. On behalf of this association, I would like to thank him for his great presentation. The restaurant service was outstanding and if you don't believe me just ask Dan Callahan. I'm sure he gets the same service at home.

One of the best things we can do for ourselves and our family is one of the easiest. Drink more water!!! We all should realize how important it is to drink water. Drinking the right amount of water will help you have more energy, control your weight and performance. It is an important step for what physicians call three ways to healthy living. Just remember our body is made up of 70% water. So when you try to get back into shape after this long winter, drink plenty of that great water we all work so hard to give to our customers.

The upcoming joint meeting with Mass Water Works Association has always been well attended. I'm looking forward to our association to make it a great turnout.

Every drop counts,
Kurt Gaffney

Happy Birthday!

PCWWA would like to wish the following members a happy birthday during the month of March:

Coming Soon

We will be offering online program registration starting in May. This will streamline the process and also save time for our volunteer staff. We would encourage online registration, however you will still be able to call by phone.

Membership dues are

Is yours paid?

CAN YOU SOLVE THE RIDDLE?

It's more powerful than God.
It's more evil than the devil.
The poor have it.
The rich need it.
If you eat it, you'll die.
What am I?

(Hint: The answer is very simple.)

Answer: The answer will be published in our next newsletter or get it now www.pcwvwa.org/ontap.htm
