Kurt's Chat

Greetings Members,

We've finally made it through another long New England winter and spring. Now that summer is here, we can hopefully enjoy the warm sunny days ahead.

During the month of May, the Plymouth County Water Works Association (PCWWA) hosted two "Coffee with the Legislature" meetings in conjunction with the Massachusetts Water Works Legislation Committee (MWWA). These meetings which were held in the Town of Mansfield and in Buzzards Bay, provided an excellent opportunity for water management officials in our area to meet with the respective legislators representing our communities on both the local and state level, and offered a forum to express concerns regarding potential impacts to the water department operations in the community based on the new regulations proposed by the Department of Environmental Projection (DEP) for the future.

I'd like to sincerely thank the MWWA Legislation Committee for their foresight in planning this event and the opportunity to voice our concerns in this forum.

I hope to see everyone soon at the Drinking Water Fair scheduled on Thursday June 23, 2005 at the Mass Maritime Academy in Buzzards Bay, and don't forget to save the date also for our famous PCWWA Annual Clambake coming up on Monday, July 27th at the Upland Club in Plympton, MA.

Remember, Every Drop Counts!

Kurt E. Gaffney

President

Coming Soon

We will be offering online program registration starting in the Fall. This will streamline the process and also save time for our volunteer staff. We would encourage online registration, however you will still be able to call by phone.

Contact Shirley Tufts, stufts@easton.ma.us with your suggestions and articles for the "On Tap" newsletter.
