November 29, 2006

Dear Members,

I would like to thank all of you for the opportunity and privilege to serve as the 2007 Plymouth County Water Works President. As one of my first acts, I would like to thank the outgoing president John Tetreault for the fine job he has done this past year. I would also like to welcome, Neal Merritt, Vice President and Steve Bishop as the new Secretary.

Last year the clambake was moved to a new location and we had our first annual membership banquet. Both were a great success. In the future I know we can make both events bigger and better.

We also need to work on our education program. Just a few years ago did anyone even hear of Consumer Confidence Reports, Vulnerability Assessment, Perchlorate, Disinfection by Product Rule, to name a few. It doesn't stop. It never will. That is why it is so important to keep all of our members up to date on all of the changes.

So if anyone has a suggestion for one of the meetings, just let one of the Board of Directors know.

I wish you and yours a Happy Holiday Season and Great New Year.

Dick Clark
President

*Happy
Birthday!*

ARE YOU NEXT?

Send us your address changes

In order to maintain accurate records—and to assure that our members receive PCWWA notices—we need to know when you change your address or role in your community.

Please send us any changes, and include your title, municipality or organization, address, and phone and fax numbers.

Changes should be sent to PCWWA Membership at 417 Bay Rd, South Easton, MA 02375 or online at www.pcwwa.org.

Holiday Trivia

When Did Christmas become so commercialized? Macy's first remained open until midnight on Christmas Eve in 1867. The store first featured window displays with a Christmas theme in 1874, and the holiday season has never been the same since.

Where do most real Christmas trees come from? The top Christmas tree-producing states are Oregon, North Carolina, Pennsylvania, Michigan, Washington, and Wisconsin.
