ISSUE 111

MARCH / APRIL 2009

## Bishop's Bullets

Dear Members,

- We have voted on sharing the cost of the Legislative tracking tool with MWWA and Barnstable County. The cost is 300 dollars. We plan on participating in this for a year and will review and evaluate if this is indeed a value to the PCWWA. We anticipate to acquire information regarding bills and their respective status a lot easier than attempting the Mass.gov website avenue.
- Mark your calendar for the annual clambake/seminar/ golf outing which will be held at Ridder Country Club

on July 22, 2009. More info to come....

- Also mark in you calendar the April 30, 2009 Microbiology class. This class will be held at the site of Analytical Labs at 422 West Grove Street, Middleboro MA, 02346. The class will be from 10 a.m.—12 noon. Guest speaker will be Tim Begley of Analytical lab.
- **GO GREEN...WIN GREEN!!** This is a program implemented to get PCWWA members to "GO GREEN" and get the monthly newsletter via e-mail as opposed to getting it through the regular mail. Winner's names will be

drawn from the Green database and will receive a 25 dollar Visa card. The program is graciously and proudly sponsored by Camp Dresser & McKee Inc., (CDM). So all members are urged to **GO GREEN and WIN GREEN!**

- Did you know that only 3% of the tap water we use on a typical day is used for drinking? Most of the rest goes for outdoor watering, bathroom uses, clothes and dish washing. **USE WATER WISELY!**
